

AMA Ride Guide to America Volume 2

More Favorite Motorcycle Tours in the USA

Edited by The American Motorcyclist Association

For motorcyclists hankering to explore the country on two wheels, this second *AMA Ride Guide to America* will supply plenty of ideas and inspiration. The American Motorcyclist Association and Whitehorse Press have teamed up to produce another collection of favorite rides from well-known motojournalists including Clement Salvadori, Marty Berke, Scott Cochran, Bruce Hansen, Neal Davis, Toby Ballentine, Dale Coyner, Grant Parsons, Bill Kresnak and James Holter.

This full-color travel guide features detailed route descriptions, topographic road maps, and lots of color photos plus historical and cultural tidbits as well as suggestions for eating, lodging, and interesting places to visit along the way.

As in the first *AMA Ride Guide to America*, the routes in this book take you to twisty roads, sweeping curves, and scenic vistas throughout the country: on the coast of New England, into the Rocky Mountains, along the Mississippi River, among the southern hills, down to the Mexican border, and through the northern Cascades.

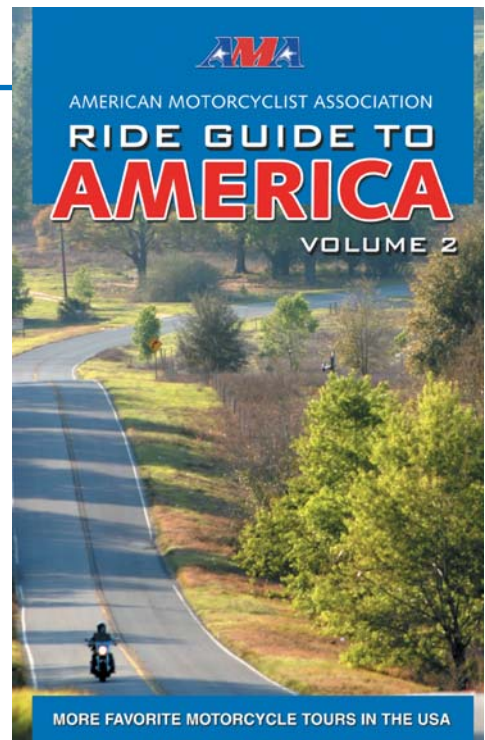

A must-have travel book for those who long to take two wheels to the best of the open road.
