

Biker Billy Cooks with Fire

Robust Recipes from America's Most Outrageous Television Chef

by Bill Hufnagle

Do real bikers eat Quiche? They do when Biker Billy makes it. This unique cookbook offers a liberal sprinkling of biker banter, motorcycle tips, and classic photos that bring the joy and gusto of the open road into your kitchen.

Biker Billy and his spicy motorcycle-themed recipes have come to be known by millions through his cable television cooking show, his appearances on national network tv ("The Tonight Show with Jay Leno", "Regis & Kelly Live"), and his features in national print media (*People* magazine, *Vanity Fair*). And thanks to Biker Billy's creative use of peppers, Burpee's Seeds has even named a new Hybrid Jalapeno after him!

This new paperback edition of *Biker Billy Cooks With Fire* presents a sizzling collection of recipes for every meal of the day. Even though these quick, full-flavored recipes are loaded with "fire" (a code word for some of the hottest peppers available), Biker Billy's cuisine is not about torturing the tongue. He creates snappy, memorable dishes, such as Lucifer's Angel Pasta, Biker "Beeritos", Snap Jack Pie, Howlin' Hush Puppies and others that provide a real adventure for the taste buds.

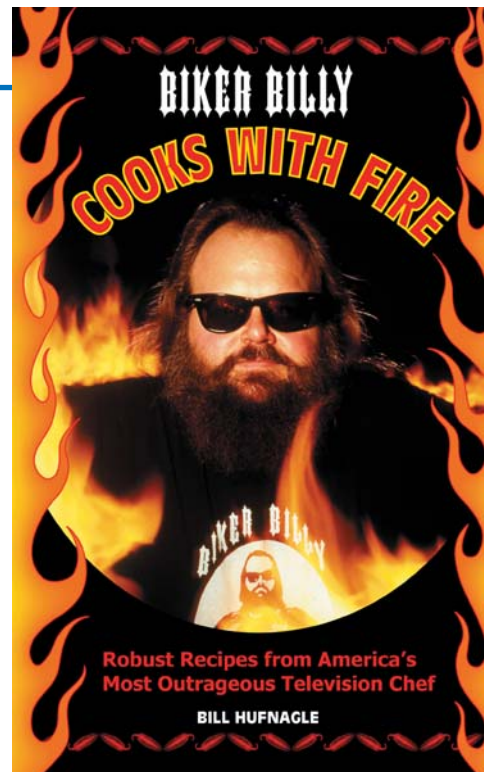

Since it was first published in hardback, *Biker Billy Cooks With Fire* has sold more than 53,000 copies, and author Bill Hufnagle has continued to publish—*Biker Billy Goes Hog Wild* (Harvard Common Press 2003) has been a highly successful title as well.
