

Motorcycle Journeys Through the Pacific Northwest

by Bruce Hansen

Motorcycle Journeys through the Northwest, by Bruce Hansen, is the latest edition to the popular Motorcycle Journeys Series from Whitehorse Press. Hansen's enthusiasm for motorcycle exploration comes through in this full-color, fully-detailed tribute and guide to the great roads of America's Northwest.

Both visitors to the region and lifetime locals will enjoy and learn from the 30+ trips that Hansen has planned and perfected. This book, designed from top to bottom for motorcyclists, includes: topographical maps for each trip, section, and chapter; photocopy-able spreads with detailed maps and directions for easy placement in a tankbag map window; over 30 great trips that span 5 states and parts of Canada and include the twistiest, most scenic roads the Northwest has to offer; and the best places to eat, sleep, and pitch your tent.

Hansen guides motorcyclists through the areas around Seattle and Portland, up and down the coasts of Washington and Oregon and northern California; around the volcanos of Mt. Saint Helens, Mt. Hood, and Mt. Rainier; across the desert of Oregon; out to the San Juan Islands; and even into parts of British Columbia. Riders will see everything from the most interesting places in the region's history, to the hills, inlets, islands, and valleys that make the American Northwest a favorite among motorcycle enthusiasts.

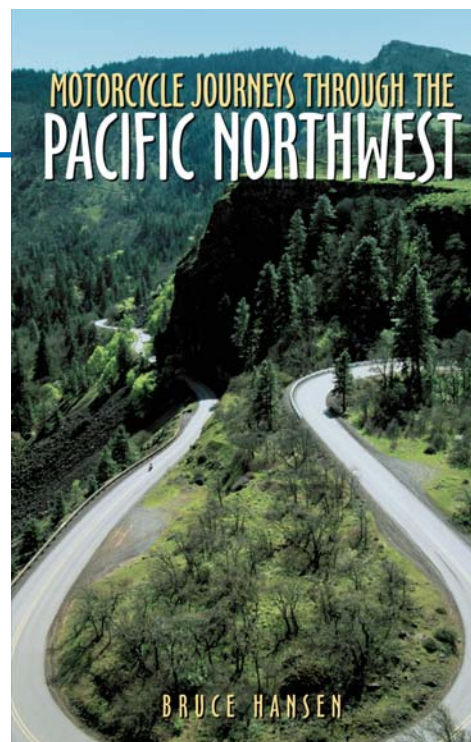

Contents

- Trip 1: Lower Columbia Basin Sampler

The Author

From the thousands of dead ends he's encountered, hours of research, and just plain luck, Bruce Hansen has located the best motorcycle roads in the Pacific Northwest.

Bruce has been a contributor to *Motorcycle Cruiser*, *Rider*, *RoadBike*, *American Iron*, and *Motorcycle Voyager*. When he's not on his bike, behind his camera, or in front of his computer, he teaches a distance writing class through Portland State University (PDX). His favorite job is to teach his fifth grade students each morning in Beaverton, Oregon.
